

# HERITAGE HIKE

## *Sunday 20 September 2009*

We invite you to join us at Molehill Green, near Stansted Airport, on the afternoon of Sunday 20th September for Stop Stansted Expansion's Heritage Hike - the eighth annual Stop Stansted Expansion runway ramble.

The 4-mile circular walk has been organized in conjunction with the Society for the Protection of Ancient Buildings. It's designed to raise awareness of many of the 35 historic properties threatened by BAA's second runway plans, and of the community which would be most directly blighted by the proximity of an airport bigger than Heathrow today should the expansion plans go ahead. The walk, through lovely countryside, also takes in a section of the Harcamlow Way.

There'll be a sizzling BBQ at Molehill Green from 1pm to 5pm and the walk will formally commence after a commemorative photo at 2pm – though you can start at any time during the afternoon.

The event is free but why not make your efforts count towards our Second Runway Fighting Fund using the sponsorship form overleaf...
