Dear Mr Sanders

Thank you for your most recent letter dated 30th June.

I remain of the view that BAA has at all times acted in good faith and in accordance with national Government policy. We may have to agree to disagree on whether BAA was right to apply for permission to build a second runway at Stansted. I believe that we were right to do so at the time, and we have since moved quickly to respond to the new Government's clear intentions to change that national airports policy.

As you acknowledge, we want to help build an open and constructive relationship with the local communities. However, we cannot bind BAA to the kind of commitments described in your letter of 1st June. If you wish to discuss other matters, please do not hesitate to contact me or David Johnston at any time.

Yours sincerely

Colin Matthews
Chief Executive Officer
