Dear Madam

Stansted G2 Inquiry
Our client: Stansted Airlines Consultative Committee ("SACC")
Programming Meeting on 19 January 2009

We refer to your email of 7 January 2009 which enclosed the Agenda for a programming meeting to be held on 19 January and contained a list of issues for consideration by the parties.

We attach a Schedule setting out the SACC's response to the issues raised by the Inspector in the Agenda.

Please note that the SACC seeks a deferment of the start of the Inquiry for the reasons set out at item 6 of the Agenda.

The SACC also wishes the Inspector to note that it has concerns about the time being taken by BAA to respond to requests for information made by it and other parties, and BAA's reluctance to meet with the SACC to discuss the SACC's alternative scheme. In that regard the Inspector is referred to our letter to CMS Cameron McKenna dated 14 January 2009.

We will be representing the SACC at the programming meeting.

Should you have any queries in relation to the above matters, please do not hesitate to contact us.

Yours faithfully
