Dear Sirs

Town and Country Planning Act 1990 - Section 78: Appeal by BAA Ltd and Stansted Airport Ltd against the decision of Uttlesford District Council; land at Stansted Airport, Stansted, Essex CM24 1QW.

We refer to our letters of 5 June, 21 May, 9 May and 18 April 2008 and note that you have still not responded to our repeated request for advice on: (i) how BAA's materially revised surface access projections for its proposed G1 development are to be dealt with; (ii) whether the Secretaries of State will review their decision not to allow further evidence on this matter and (iii) whether the Secretaries of State are prepared to allow the G1 public inquiry to be reconvened to enable BAA's materially revised surface access and air quality evidence to be fairly tested.

In the absence of a reply from you within fourteen days clarifying the position on these matters we shall assume that the Secretaries of State have decided that they will not allow evidence to be submitted on BAA's materially revised G1 surface access projections and that the G1 public inquiry will not be reconvened.

We consider it important that we should at least have clarification of the position.

Yours sincerely

Peter Sanders
